Simple yet sophisticated dishes that are sure to capture your imagination, taking you on a wonderful voyage to Italy.

Buon Appetito

We also have an amazing selection of beers, wines and cocktails to complement our meals, please ask for a menu if one has not already been given to you.

OUR DOUGH

Our dough is crafted with strong quality flours, allowing for a high level of hydration and a minimum 48-hour fermentation.

This slow process ensures a perfectly airy crust, superior texture, and exceptional digestibility.

The result is a pizza that is both delicious and light.
